1. This is a response to Applicant's Pre-Brief filed on 07/20/2007 and the Pre-Brief appeal conference decision on 08/10/2007. In virtue of this Pre-Brief, claims 7-20 remain pending in this application which claims 1-6 are canceled. Claims 7-20 are allowed.

Reasons for Allowance

2. Claims 7-20 are allowed.

The following is an examiner's statement of reason for allowance:

With respect to claims 7-20, none of the references of record teaches or suggests the claimed a computer-implemented method for presenting a set of search results, the method comprising, along with all the other claimed feature, assigning, to each page of a set of one or more pages, an authority weight; wherein the authority weight assigned to each page represents a relative importance of the page relative to other pages; for each page in the set of pages, recursively distributing the page's authority weight over pages that belong to a collection of pages, thereby establishing authority weights for at least some page pages, **wherein the step of recursively distributing the page's authority weight includes establishing the page as a current page and repeatedly performing the following steps until an end condition is satisfied: following an outgoing link from the current page to a next page that belongs to the collection; distributing a portion of the authority weight to the next page; and establishing the next page as the current page;** receiving a search query, identifying a set of page from the collection that match the search the said search query
